

5 Ways to Get 'em Reading

Start early

It is never too early to start reading to your child. Let story be part of their development.

.....

Make it fun

Find a quiet place, snuggle in, talk about it, do the voices and laugh! Make connections between reading and fun.

.....

Read aloud

Let kids sink into a story without having to struggle. Read to them. Even the big kids. They will beg for more.

.....

Role model

There isn't a more powerful way to get our children reading than to let them see us do it first.

.....

Books, books, books!

Make your home book friendly. Buy or borrow. The more books there are, the more likely children will read them.
